Other Useful Information	ESOGU helps the incoming students with finding accommodation, orientation after arrival in Eskişehir and organizing social activities
Insurance	Health insurance is obligatory for residence permit. A comprehensive health insurance has to cover both outpatient and inpatient treatment, full medication for the duration of stay. The students are recommended to receive a health insurance issued in Türkiye.
Visa	Students who need to get visa must apply to a Turkish Consulate generally the one nearest the place of residence. The students are recommended to apply for a visa as soon as they get the acceptance letter, which is issued by ESOGU. The process of getting a visa to Türkiye generally varies depending on the country of residence. Foreigners who will study in Türkiye should get the residence permit from the nearest local police station upon their arrival in Türkiye regardless of the validity of their visa. ESOGU International Relations Office assists all Incoming Erasmus Students during this procedure.
